

Waste material	European Waste catalogue=EWC	National additional code	Description
Waste of animal and vegetation origin	020301		Processing sludges from the products-of-vegetable-origin
Waste of animal and vegetation origin	200108		Municipal biodegradable kitchen-and-canteen-waste
Waste of animal and vegetation origin	200201		Municipal biodegradable waste from garden and park
Waste of animal and vegetation origin	200302		Municipal waste from markets
Waste of animal and vegetation origin	020101		Washing and cleaning sludges from the primary production
Waste of animal and vegetation origin	020102		Animal-tissue wastes from the primary production
Waste of animal and vegetation origin	020103		Plant-tissue waste from the primary production
Waste of animal and vegetation origin	020201		Washing and cleaning sludges from the processing-of-products-of-animal-origin
Waste of animal and vegetation origin	020202		Animal-tissue wastes from the processing-of-products-of-animal-origin
Waste of animal and vegetation origin	200125		Municipal separately-collected edible-oil-and-fat-waste
Waste of animal and vegetation origin	020199		Primary production's other waste
Waste of animal and vegetation origin	020203		Materials from the processing-of-products-of-animal-origin unsuitable for consumption or processing
Waste of animal and vegetation origin	020299		Other waste from the processing-of-products-of-animal-origin
Waste of animal and vegetation origin	020501		Dairy-product-industry's materials unsuitable for consumption or processing
Waste of animal and vegetation origin	020303		Solvent-extraction wastes from the processing-of-products-of-vegetable-origin
Waste of animal and vegetation origin	020602		Baking-and-confectionery-industry's wastes from preserving agents
Waste of animal and vegetation origin	020704		Beverage-industry's materials unsuitable for consumption or processing
Waste of animal and vegetation origin	020599		Other waste from the dairy-product-industry
Waste of animal and vegetation origin	020107		Wastes from forestry exploitation
Waste of animal and vegetation origin	020399		Other waste from the processing-of-products-of-vegetable-origin
Waste of animal and vegetation origin	020702		Beverage industry's wastes from spirits distillation
Waste of animal and vegetation origin	020701		Beverage industry's raw-materials-processing-sludges
Waste of animal and vegetation origin	020499		Other waste from the sugar-processing
Waste of animal and vegetation origin	020304		Materials from the processing-of-products-of-vegetable-origin unsuitable for consumption or processing
Waste of animal and vegetation origin	020601		Baking-and-confectionery-industry's materials unsuitable for consumption or processing
Sludge	190805F	F	Sludges-treated-with-pathogen-reducing-methods from the-treatment-of-urban-waste-water
Sludge	190812		Non-hazardous sludges from the biological-treatment-of-industrial-waste-water
Sludge	030311		Sludges from on-site effluent treatment from the pulp-paper-and-cardboard-production-and-processing
Sludge	030305		De-inking sludges from the paper-recycling
Sludge	020705		Sludges from on-site effluent treatment from the beverage industry
Sludge	020603		Sludges from on-site effluent treatment from the baking-and-confectionery-industry
Sludge	020502		Dairy-product-industry's sludges from on-site effluent treatment

Sludge	020403		Sludges from on-site effluent treatment from the sugar-processing
Sludge	020305		Sludges from on-site effluent treatment from the processing-of-products-of-vegetable-origin
Sludge	190805E	E	Thermally-treated-sludges from the-treatment-of-urban-waste-water
Sludge	190805G	G	Composted-sludges from the-treatment-of-urban-waste-water
Sludge	190805D	D	Lime-stabilized-sludges from the-treatment-of-urban-waste-water
Sludge	020204		Sludges from on-site effluent treatment from the processing-of-products-of-animal-origin
Sludge	190605		Liquor from the-anaerobic-treatment-of-animal-and-vegetable-waste
Sludge	190603		Liquor from the anaerobic-treatment-of-municipal-waste
Sludge	200306		Municipal waste from the sewage-cleaning
Sludge	200304		Municipal septic-tank-sludge
Sludge	190604		Digestate from the anaerobic-treatment-of-municipal-waste
Sludge	190805C	C	Decomposed-sludges from the-treatment-of-urban-waste-water
Sludge	190805B	B	Aerobically-stabilized-sludges from the-treatment-of-urban-waste-water
Sludge	190606		Digestate from the anaerobic-treatment-of-animal-and-vegetable-waste
Sludge	190805		Sludges from the-treatment-of-urban-waste-water
Sludge	190805A	A	Non-stabilized-sludges from the-treatment-of-urban-waste-water
Sludge	190902		Sludges from the water-clarification
Paper and cardboard waste	200101		Municipal separately-collected paper-and-cardboard-waste
Paper and cardboard waste	191201		Paper-and-cardboard-waste from the mechanical-treatment-of-waste
Paper and cardboard waste	150101		Paper and cardboard packaging waste
Wood waste	030105		Non-hazarous wood waste from the wood-processing-and-the-production-of-panels-and-furniture
Wood waste	150103		Wooden packaging waste
Wood waste	200138		Municipal separately-collected non-hazardous-wood waste
Wood waste	030101		Bark and cork waste from the wood-processing-and-the-production-of-panels-and-furniture
Wood waste	030301		Bark and wood waste from te pulp-paper-and-cardboard-production-and-processing
Wood waste	170201		Wood waste from the construction-and-demolition
Wood waste	191207		Non-hazardous wood waste from the mechanical-treatment-of-waste
Mixed municipal waste	200301		Mixed municipal waste
Mixed municipal waste	200399		Municipal wastes not otherwise specified
